

## **Rayat Bahra University Students won Second Prize in IIT Ropar's Hackathon**

Annual technical fest-‘Advitiya’ organised by IIT Ropar hosted a variety of events in which the students of RBU Mohali campus bagged second rank. There were about 63 teams in the Round 1 and 9 in the final round amongst them the students got the second rank. It was a 24 hour competition in which the students have to innovate some idea on the task assigned to them and solve the real life problems. During this, three of our students Divyanshu Pandey, Ankit Verma and Amanjot Kaur had their team named “Black wolves” made an interactive and innovative Android app which intended to provide a platform to all the artists, from small to the large scale and help them in making their identity. They also won a cash prize of rupees eighteen thousand during this competition. This was another remarkable achievement by the students of the campus.
