

Expert Lecture on “Machine Learning with Python”

In order to minimize the gap between education and industries and to enlighten the students about latest trends in the industry, the University School of Engineering and Technology, Rayat Bahra University Sahauran, organized expert lecture. The lecture was attended by the B.Tech students of Computer Science & Engineering as well as the faculty. Mr. Rajesh Sharma, Director in Solitaire Infosys Pvt. Ltd, Mohali, shed light on the “Machine Learning with Python”. He discussed about the programming language which is gaining enormous popularity and is considered the need in today’s world. The industry is undergoing a fierce competition now a days as new advances are being made every now and then in almost all the fields of interest. The huge response and appreciation by the student ensured that they wish to stand toe-to-toe with the competition as well as make their presence felt in the arena. Finally the expert lecture was a huge success with the students. Rayat Bahra University will always work to improve the collaboration between academia and industry.
